Overview

Get smarter video alerts and high-quality live and recorded video with this HD indoor camera. With night vision and High Dynamic Range (HDR), this camera lets you see what's important, no matter the time of day or lighting conditions. Pair with an Alarm.com security system for cloud-based alarm and sensor-triggered clip recordings (additional hardware required).

Service Packages

- Pro Video
- Pro Video with Analytics 3000

Included accessories

- Power adapter
- Mounting hardware
